Y?

- Stage for real experts willing to share their insights
- Forum for critical discussion
- Maybe inspiration for a talented noob?

c-base

- Rules
- Toilets
- Bar

1st talk

- Hendrik Spiegel
- Roles:
 - Security Nights co-organizer
 - Staff Security Engineer at *New Work*
- Tonight: *Hashing – what's not to be confused about?*

2nd talk

- Sebastian Neef (@gehaxelt)
- Known for:
 - internetwache.org
 - more than 10 CVE-IDs
 - and much else!
- Tonight: *Oh SSH-it, I didn't know about SSHFP RRs in the DNS!*

3rd talk

- Antonio Mello
- (?)
- Tonight: *A GraphQL tale: What else is in there besides introspection?*
